

### Copyright Transfer Statement

The copyright to this article is transferred to Prognostics Journal (for U.S. government employees: to the extent transferable) effective if and when the article is accepted for publication. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The author guarantees that the manuscript will not be published elsewhere in any language without the consent of the copyright owners, that the rights of third parties will not be violated, and that the publisher will not be held legally responsible should there be any claims for compensation. Author wishing to include figures or text passages that have already been published elsewhere is required to obtain permission from the copyright owner(s) and to include evidence that such permission has been granted when submitting their papers. Any material received without such evidence will be assumed to originate from the authors.

The author may request from the publisher permission to post an author-created version of the author's article on his/her own website and his/her institutions repository, including his/her final version: however he/she may not use the publishers PDF version which is posted on [www.prognosticsjournal.com](http://www.prognosticsjournal.com). Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Prognostics Journal's website. The link must be accompanied by the following text: "*The original publication is available at [www.prognosticsjournal.com](http://www.prognosticsjournal.com).*" The author accepts that the publisher reserves the right to refuse posting requests.
